Post Image 1 — Soup — 4:3 (Gemini 3.1 Pro)

Tied to: Marijuana Corn Chowder Recipe

Style: Cozy evening
Surface/background: Dark walnut kitchen table

A deep rustic ceramic bowl of creamy golden cannabis corn chowder as the hero, topped with charred corn kernels, crispy bacon crumbles, fresh chopped chives, and a drizzle of light green-tinted cannabis-infused oil. Composed as a full table scene: a wooden spoon resting on a folded cream linen napkin beside the bowl, a small wooden board with a half loaf of crusty bread and a butter knife, a mug of coffee in the background, a sprig of thyme on the table, all arranged on a dark walnut kitchen table. Cozy evening lighting — warm amber glow from a nearby candle or lamp creating soft shadows. Rich, comforting, intimate. No text.

Post Image 2 — Muffins — 4:3 (Gemini 3.1 Pro)

Tied to: Quick and Easy Apple Marijuana Muffins Recipe

Style: Warm golden hour
Surface/background: Weathered burlap runner over cream linen

A rustic table scene centered on a batch of golden domed cannabis apple muffins on a vintage wire cooling rack, cinnamon sugar glistening on their tops with slices of apple pressed in. Multi-element composition: a small wooden board with freshly sliced apples and a few whole cinnamon sticks tied with twine, a vintage ceramic mug of coffee catching the light, a linen tea towel bunched to one side, a handful of fresh cannabis leaves scattered decoratively near the cooling rack, a sprig of fresh thyme, all arranged on a weathered burlap runner over cream linen.

Warm golden hour lighting from low side angle — amber tones, long soft shadows, abundant and homey mood. No text.

Pinterest Pin 1 — Salad — 2:3 portrait, 1000×1500px (Gemini Flash Lite)

Tied to: Watermelon Marijuana Salad Recipe with Cucumber and Feta

Style: Bright outdoor
Surface/background: Pale limestone outdoor table

Portrait vertical scene on a pale limestone outdoor table in dappled sunlight. Hero: a wide shallow white ceramic bowl of watermelon cucumber feta salad — chunky deep red watermelon cubes, thin cucumber rounds, crumbled white feta, fresh mint leaves, drizzled with a light green-tinted cannabis-infused olive oil vinaigrette. Multi-element composition: a small pitcher of the green-tinted dressing beside the bowl, a wooden cutting board with a halved watermelon and a sharp knife, a small bundle of fresh mint, two small salad plates stacked nearby, a linen napkin in soft coral. Leave clean space at top for Canva text overlay. Fresh, vibrant, lifestyle mood with natural open shade and dappled sun. No text.

Pinterest Pin 2 — Pizza — 2:3 portrait, 1000×1500px (Gemini Flash Lite)

Tied to: How to Make Stoned Pizza: Super Easy Weed Pizza Recipe

Style: Rustic farmhouse
Surface/background: Butcher block counter

Portrait vertical scene on a worn butcher block counter in soft natural window light. Hero: a freshly baked homemade cannabis pizza on a round wooden pizza peel — golden bubbling mozzarella, bright red tomato sauce, fresh basil leaves, lightly charred crust, drizzled with a light green-tinted cannabis-infused olive oil. Multi-element composition: a small glass jar of the green-tinted infused oil with a wooden dipper beside the pizza, a handful of fresh basil leaves, a pizza cutter, a small wooden bowl of red pepper flakes, a striped dish towel crumpled to one side. Leave clean space at bottom for Canva text overlay. Approachable, handmade, wholesome mood. No text.

Post Image 3 — Chef Making Infusion — 4:3 (Gemini 3.1 Pro)

Style: Modern clean
Surface/background: Stainless steel commercial prep counter with charcoal concrete accent wall

A professional female chef in a crisp white chef coat and dark apron in a commercial kitchen, focused on the work: she is gently stirring a small copper saucepan of light green-tinted cannabis-infused butter over low heat on a professional stainless steel gas range. Multi-element composition: a digital thermometer clipped to the saucepan, a wooden spoon in her hand, a mise en place tray beside the range with decarboxylated cannabis buds in a small glass ramekin, a fine mesh strainer, and a clean glass mason jar ready for straining. Stainless steel backsplash behind the range. Modern clean lighting — bright even overhead with crisp neutral shadows, precise and contemporary mood. No text.

Post Image 4 — Chef Measuring Infusion into Recipe — 4:3 (Gemini 3.1 Pro)

Style: Moody dark
Surface/background: Aged slate prep counter

A professional male chef in a white coat, sleeves rolled, working in focused concentration at a slate prep counter in a commercial kitchen. Hero action: he is carefully pouring a precise measured amount of light green-tinted cannabis-infused butter from a small glass measuring cup into a stainless steel mixing bowl of cookie dough. Multi-element composition: a digital kitchen scale with a small ramekin of the green-tinted butter on the display, a recipe card with handwritten notes and dosing math, a glass jar labeled with strain info, a few cannabis leaves resting on the slate near the bowl, a wooden spoon in the bowl, a row of prep ingredients behind.

Moody dark lighting — dramatic single-source side light, deep shadows, sophisticated artisan mood. No text.

Pinterest Pin 3 — Chef Making Infusion — 2:3 portrait, 1000×1500px (Gemini Flash Lite)

Style: Airy minimal
Surface/background: White marble prep counter

Portrait vertical shot. Overhead angle looking down onto a white marble commercial prep counter. A chef's hands (white coat sleeves visible) carefully pouring golden light green-tinted cannabis-infused oil through a fine mesh strainer into a clean glass mason jar. Multi-element composition: the strained cannabis plant material visible in the strainer, a small pile of dried cannabis buds in a white ceramic ramekin beside the jar, a stack of clean jars with lids, a linen cloth folded to one side, a digital thermometer. Leave clean space at top for Canva text overlay. Airy minimal lighting — pale even light, calm serene mood, lots of negative space. No text.
