Image Prompts — Posts 12, 13, 14

Cannademy.com AEO Blog Refresh | April 2026

Model guide:

- Featured images → Gemini 3.1 Pro
- In-post + Pinterest → Gemini Flash Lite
- Styles and surfaces must differ across every image within a post
- Infusions must have a green or light green tint
- Multi-element compositions — kitchen or table setting scenes, not product shots
- Pinterest pins posted to Pinterest only — not embedded in post
- Space pin uploads out over separate days/weeks via CCM
- Add Cannademy logo + site name at bottom corner of Pinterest pins (~10–15% of pin area)

POST 12

Title: From Home Cook to Cannabis Chef: The Course Professionals Are Using to Add Edibles to Their Income **URL:** cannademy.com/professional-cannabis-chef/

IMAGE PROMPTS — Gemini Generation

Styles used: Moody dark (featured), Warm golden hour (in-post 1), Cool bright studio (in-post 2), Rustic farmhouse (pin 1), Airy minimal (pin 2), Cozy evening (pin 3)

Featured Image — 16:9 landscape (Gemini 3.1 Pro) Style: Moody dark Surface/background: Dark walnut

An elegantly plated cannabis-infused dinner course on a dark walnut table — a beautifully sauced protein with herb garnish on a dark slate plate, flanked by a small glass jar of light-green cannabis-infused oil, a sprig of fresh rosemary, and a folded linen napkin. Dramatic single-source side light, deep shadows, rich sophisticated mood. A chef's hands partially visible setting the plate. No text. Aspect ratio 16:9.

In-Post Image 1 — tied to H2 3 (Income Streams) — 4:3 (Gemini Flash Lite) Style: Warm golden hour Surface/background: Butcher block

A kitchen table scene of artisan infused product preparation: small glass jars of light-green cannabis-infused jam and herb-flecked infused oil with a visible green tint, a handwritten recipe card, wooden spoon, and scattered herb sprigs on a warm butcher-block surface. Soft directional amber side light, cozy and abundant mood. No text.

In-Post Image 2 — tied to H2 4 (Course Content / Pro Techniques) — 4:3 (Gemini Flash Lite)
Style: Cool bright studio Surface/background: White marble

A professional cannabis cooking mise en place on white marble: a digital kitchen scale, a small copper saucepan containing a light-green cannabis butter infusion, a measuring cup, a notepad with calculations, and two small bowls of herbs — arranged with precision under crisp diffused overhead daylight. Clean, modern, editorial mood. No text.

Pinterest Pin 1 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Rustic farmhouse Surface/background: Natural pine

Image prompt: A rustic kitchen table scene on natural pine — a platter of assorted cannabis-infused foods (gummy worms, frosted cookies, a small brownie square) arranged around a jar of light-green infused coconut oil and a handwritten recipe card. Soft natural window light, textured and wholesome mood. Leave clean space at top for text overlay. No text.

Text overlay: How to Become a Professional Cannabis Chef

Pin description: Learn how to become a professional cannabis chef using the same course working culinary pros rely on. Cannabis Cooking for Home Cooks covers infusion, dosing, temperature, and concentrates — everything a chef needs to add cannabis cuisine to their income. Full guide at Cannademy.com.

Pinterest Pin 2 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Airy minimal Surface/background: White ceramic tile

Image prompt: A clean, spare kitchen scene on white ceramic tile — a single beautifully plated cannabis-infused pasta dish beside a small bottle of light-green infused olive oil, a few scattered herb leaves, and a linen napkin. Pale even light, minimal props, calm and serene mood. Leave clean space at bottom for text overlay. No text.

Text overlay: Cannabis Cooking Skills That Pay — 7 Income Streams

Pin description: Cannabis cooking skills are one of the most in-demand culinary specialties right now. From private infused dinners to custom client edibles to teaching classes — here are 7 ways culinary professionals are monetizing cannabis cooking knowledge. Get the full breakdown at Cannademy.com.

Pinterest Pin 3 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Cozy evening Surface/background: Dark espresso wood

Image prompt: A warm evening kitchen scene on dark espresso wood — a small cast-iron pan of light-green cannabis-infused butter melting beside a plated stack of golden cannabis cookies, a cup of tea, and a softly glowing candle. Warm lamp light, intimate and relaxed mood. Leave clean space at top for text overlay. No text.

Text overlay: Cannabis Cooking Course for Professional Chefs

Pin description: Professional cannabis chefs use the same course as home cooks — because the fundamentals don't change based on scale. Cannabis Cooking for Home Cooks teaches decarboxylation, dosing, infusion, and concentrates at a professional level. Start at Cannademy.com.

POST 13

Title: Why Chefs Are Learning Cannabis Cooking (And What Home Cooks Can Learn Too)
URL: cannademy.com/chefs-cannabis-cooking-school/

IMAGE PROMPTS — Gemini Generation

Styles used: Bright outdoor (featured), Airy minimal (in-post 1), Warm golden hour (in-post 2), Modern clean (pin 1), Rustic farmhouse (pin 2), Moody dark (pin 3)

Featured Image — 16:9 landscape (Gemini 3.1 Pro) Style: Bright outdoor Surface/background: Light ash wood

A fresh outdoor table scene on light ash wood — a spread of cannabis-infused dishes ready to serve: a plated herb-garnished appetizer, a small pitcher of light-green cannabis-infused sauce, gummy candies in a small bowl, and a jar of light-green infused oil with a wooden spoon. Natural open shade daylight, fresh and energetic mood. A chef's hands reaching in to adjust the presentation. No text. Aspect ratio 16:9.

In-Post Image 1 — tied to H2 2 (Misinformation / What Goes Wrong) — 4:3 (Gemini Flash Lite) Style: Airy minimal Surface/background: Pale limestone

A spare, calm kitchen scene on pale limestone — a glass bowl of golden marinade beside a small bottle of regular olive oil and a separate small bottle of light-green cannabis-infused oil, with a few scattered herb sprigs. Pale even light, minimal props. The contrast between the two bottles subtly illustrates the wasted-marinade concept. No text.

In-Post Image 2 — tied to H2 4 (Cheri's Origin Story / Testing) — 4:3 (Gemini Flash Lite) Style: Warm golden hour Surface/background: Butcher block

A warm kitchen table scene on butcher block — an open recipe notebook filled with handwritten notes and crossed-out attempts, a small saucepan with a light-green cannabis butter infusion, a measuring cup, scattered herb sprigs, and a well-worn wooden spoon. Soft amber side light, cozy and lived-in mood. The organized chaos of real recipe development. No text.

Pinterest Pin 1 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Modern clean Surface/background: White marble

Image prompt: A bright, precise kitchen scene on white marble — a chef's mise en place for cannabis cooking: a digital thermometer, a small copper saucepan with a light-green cannabis butter infusion, measuring spoons, a notepad with dosing calculations, and a small tray of cannabis gummy worms. Bright overhead light, geometric arrangement, graphic shadows. Leave clean space at top for text overlay. No text.

Text overlay: Why Chefs Go to Cannabis Cooking School

Pin description: Why are trained chefs going to cannabis cooking school? Because culinary skills and cannabis skills are two completely different knowledge sets. Find out what even a Master Chef contestant still needed to learn — and what you can learn too. Full guide at Cannademy.com.

Pinterest Pin 2 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Rustic farmhouse Surface/background: Weathered burlap

Image prompt: A rustic kitchen scene on weathered burlap — an open cannabis cookbook beside a jar of light-green infused coconut oil, a wooden spoon, a small plate of cannabis rice crispy treats, and a scattered handful of herbs. Soft natural window light, approachable and handmade mood. Leave clean space at bottom for text overlay. No text.

Text overlay: Cannabis Cooking Mistakes Even Trained Chefs Make

Pin description: Even classically trained chefs make costly cannabis cooking mistakes — because culinary school doesn't cover decarboxylation, infusion science, or dosing. Learn the most common errors and how to avoid them. Full breakdown at Cannademy.com.

Pinterest Pin 3 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Moody dark Surface/background: Slate

Image prompt: A sophisticated kitchen scene on a dark slate surface — a beautifully plated cannabis-infused appetizer beside a small jar of light-green infused oil, a sprig of fresh thyme, and a folded dark linen napkin. Dramatic single-source side light, deep shadows, artisan mood. Leave clean space at top for text overlay. No text.

Text overlay: Learn Cannabis Cooking Online — What Took Cheri Years

Pin description: Learn cannabis cooking online in just two hours — the decarboxylation, dosing, and infusion science that took Cheri years to figure out on her own. Everything she learned from testing hundreds of batches, organized into a complete course. Start at Cannademy.com.

POST 14

Title: Cannabis Certificates From Cannademy: What They Are and Why They Matter **URL:** cannademy.com/cannabis-certificates-from-cannademy/

NOTE: Place the existing certificate photo immediately after the H2 1 answer-first paragraph in the post. Alt text: *Cannademy cannabis certificate of completion sample*. The image prompts below are for supporting images only.

IMAGE PROMPTS — Gemini Generation

Styles used: Cozy evening (featured), Cool bright studio (in-post 1), Warm golden hour (pin 1), Airy minimal (pin 2), Modern clean (pin 3)

Featured Image — 16:9 landscape (Gemini 3.1 Pro) Style: Cozy evening Surface/background: Dark walnut

A warm evening desk scene on dark walnut — a rolled diploma-style certificate tied with twine resting beside a steaming coffee mug, a small succulent plant, a cannabis-infused brownie square on a small plate, and a softly glowing candle. Warm lamp light, intimate and celebratory mood. No text on certificate. No text in image. Aspect ratio 16:9.

In-Post Image 1 — tied to H2 3 (Accountability / Staying on Track) — 4:3 (Gemini Flash Lite)
Style: Cool bright studio Surface/background: Light ash wood

A clean, organized desk scene on light ash wood — an open laptop showing a course progress bar at 100% completion, a small notebook with a checklist and checkmarks, a pen, and a small plate of cannabis gummy worms beside a glass of water. Crisp diffused overhead daylight, clean and modern mood. No legible text on screens or notebook. No text.

Pinterest Pin 1 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Warm golden hour Surface/background: Natural pine

Image prompt: A warm kitchen table scene on natural pine — a certificate partially unrolled beside a jar of light-green cannabis-infused oil, a small plate of cannabis cookies, a cup of tea, and scattered herb sprigs. Soft amber side light, cozy and celebratory mood. Leave clean space at top for text overlay. No text on certificate. No text.

Text overlay: Cannabis Certificate of Completion — Cannademy Courses

Pin description: Cannademy now offers a cannabis certificate of completion for select online cannabis cooking courses. Learn what the certificate covers, which courses offer it, and whether it's worth pursuing. Full details at Cannademy.com.

Pinterest Pin 2 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Airy minimal Surface/background: Cream linen

Image prompt: A calm, spare scene on cream linen — a rolled certificate tied with a simple ribbon beside a small succulent in a white ceramic pot, a cannabis gummy candy, and a single pen. Pale even light, minimal props, serene mood. Leave clean space at bottom for text overlay. No text on certificate. No text.

Text overlay: Does Cannademy Offer Cannabis Cooking Certificates?

Pin description: Does Cannademy offer cannabis cooking certificates? Yes — and here's everything you need to know. Which courses qualify, what the certificate covers, and three reasons it might actually be worth pursuing. Full guide at Cannademy.com.

Pinterest Pin 3 — 2:3 portrait, 1000px x 1500px (Gemini Flash Lite) Style: Modern clean Surface/background: White ceramic tile

Image prompt: A bright, graphic flat-lay scene on white ceramic tile — a certificate rolled and tied with twine arranged alongside a small jar of light-green infused coconut oil, a recipe card, a cannabis gummy worm, and a measuring spoon. Bright overhead light, geometric arrangement,

precise and contemporary mood. Leave clean space at top for text overlay. No text on certificate. No text.

Text overlay: 3 Reasons to Earn a Cannabis Certificate Online

Pin description: Three reasons to earn a cannabis certificate — even if you only cook at home. From staying accountable to validating your knowledge to peers, a completion credential from Cannademy's cannabis cooking courses is worth more than you might think. Learn more at Cannademy.com.
